

CHINESE LEARNING

Your words.
Real sentences.

Practice Chinese with vocabulary
you have already learned.

Learn
Connect
Remember

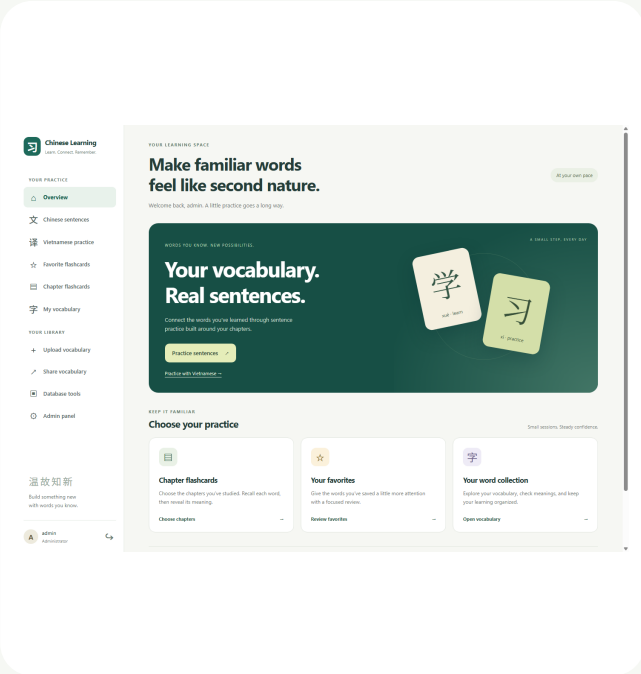

Less confusion. More confidence.

A calmer path from single words
to meaningful sentence practice.

PRACTICE

Start with what
you know.

Add your vocabulary, choose a
chapter, and build sentence
practice around familiar words.

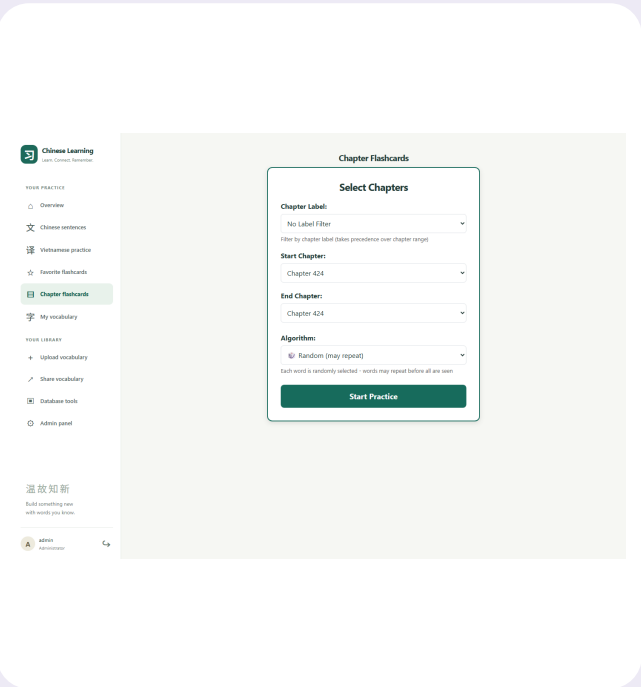

- 01 **Bring your words**
Organize vocabulary by chapter.
- 02 **Read in context**
Practice sentences and meanings.
- 03 **Listen and repeat**
Hear Chinese pronunciation.

FLASHCARDS

Recall. Reveal.
Keep going.

Review chapters or favorite words
before putting them into sentences.

Choose your deck
Filter by chapter or favorites.

Test your memory
Reveal pinyin and meanings.

Hear the word
Listen as you review.

BUILT FOR LEARNERS

A practice space
that grows with you.

For learners who know some Chinese
but feel overwhelmed when practice
introduces too many new words.

WHAT YOU CAN DO

- Study your own vocabulary
- Practice Chinese sentences
- Review chapter flashcards
- Save and revisit favorites

Practice at your own pace.

A familiar word today can become
a sentence you understand
tomorrow.
