

— YOUR VOCABULARY. ACTIVATED.

# Known words. New possibilities.

Practice Chinese with the vocabulary  
you have already learned.

**You know more than you think.**

Put familiar words into new combinations.  
Build confidence, one sentence at a time.

START WITH WHAT YOU KNOW

The illustration shows three flashcards on a grid background. The first card is white and says '我' (wǒ / I / me). The second card is purple and says '喜欢' (xǐhuan / to like). The third card is yellow and says '中文' (Zhōngwén / Chinese). An arrow points down to a dark green box containing the sentence '我喜欢中文。' (I like Chinese.) in white characters, with the English translation 'I like Chinese.' to the right.

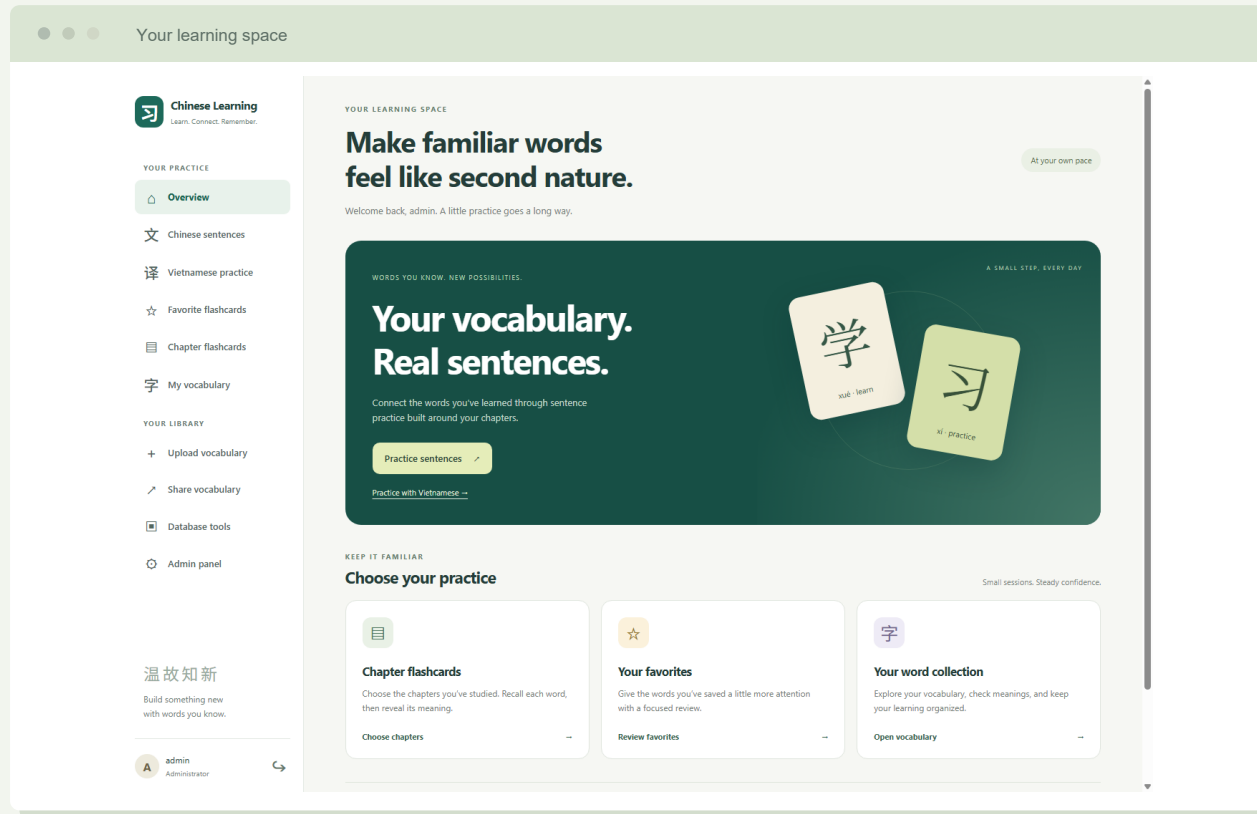

Illustrative practice example

**Less overwhelm.  
More momentum.**

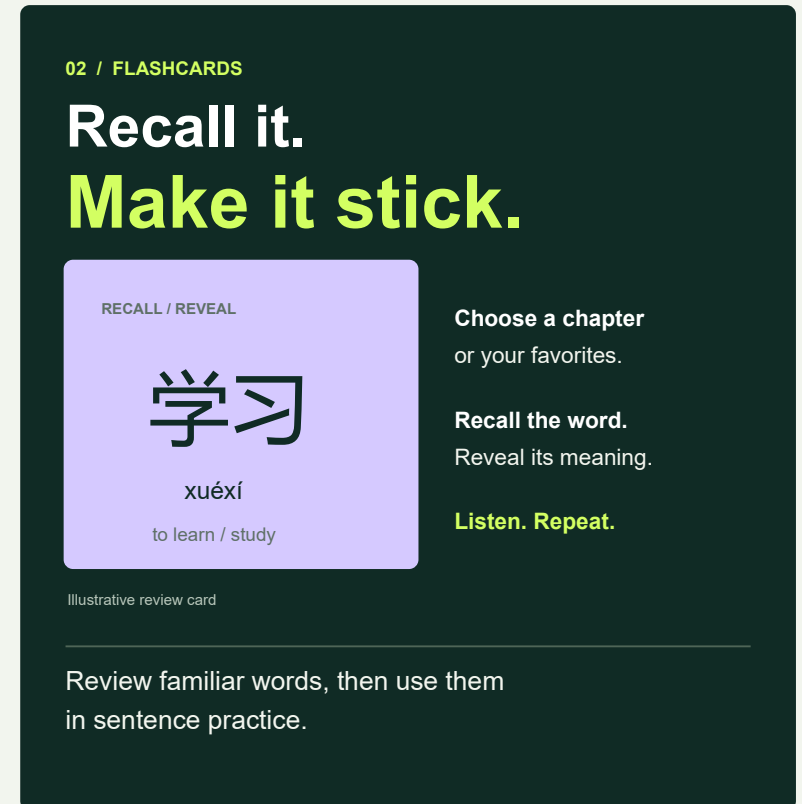

# Your vocabulary. Put it to work.

For learners who feel overwhelmed  
by unfamiliar words in practice materials.  
Start with your vocabulary. Build from there.

THE WEB APP / Learning home

01

## Bring your words

Organize vocabulary by chapter.

02

## Practice in context

Read sentences. Hear pronunciation.

03

## Keep it familiar

Review words you want to reinforce.

Familiar words. Real progress.
